No.D3.C.2371/46. OFFICE OF THE DEPUTY COMMISSIONER
Mysore District, Mysore,
Dated 20th February 1946

From
C.M.A. Ranajodha Singh, Esq., B.A.,
Deputy Commissioner,
Mysore District.

To
J.B. Nallaradhya, Esq., M.A.,
Secretary to Government of Mysore,
Revenue Department, BANGALORE.

Sir,

Subject:- Incurring of excess expenditure on account of inoculation conducted by the local Doctor in the Town Municipality, Nanjangud.

In forwarding herewith in original a letter No.H.C.116/44-5 dated the 5th January 1946 received from the President, Town Municipal Council, Nanjangud together with the copy of the resolution passed by the Council at its ordinary general meeting held on 30-12-1945 requesting sanction to the above, I have the honour to state that inoculation work was done during September, October and November 1943 and in the month of January 1944 and again in January 1945. The allowance payable at Rs. 15/- per mensem as per G.O. dated 19-11-40(Rule 285 A) for 4 months from September to November and January 1944 should have been paid in 1943-44, and that due for January 1945, in the year 1944-45. But the entire sum of Rs. 75/- due for 5 months @ Rs. 15/- p.m. is stated to have been paid as against a budget provision of Rs. 50 for 1944-45 out of the closing balance for the reason that the official year 1943-44 had closed. The council considered this question at its meeting referred to above and has sought sanction of Government for having incurred excess expenditure, meeting the cost out of the closing balance.

According to Rule 22 of Mysore Accounts Manual the Council should not have incurred expenditure in excess of the amount provided without making provision for such excess either by transfer from toerh head or by sanction of additional grant from closing balance or by obtaining previous sanction of Government under Rule 27 Mysore Accounts Manual.

As however, expenditure has been incurred, already, I request that the sanction of Government may kindly be obtained for the -
